Switch to Microsoft Teams

- Starting in the spring semester of the 2026 academic year, we will switch the software used for online classes and other purposes from “Zoom” to “Microsoft Teams” (hereinafter referred to as “Teams”).

© kcg.edu

About Teams

- Teams is installed by default on Windows.
  (Alternatively, you can use it by installing Office 365 applications such as Word.)

- To join an online class, click the Teams meeting link provided by your instructor on Blackboard or similar platforms, just as you would with Zoom.
- Once launched, an icon will appear in the taskbar.

- ***Note: You cannot change your name in Teams!**

Steps for Joining an Online Class on Teams (Part 1)

- When you click the Teams link in Blackboard, a new browser window (see image on the right) will open. Click “Open Microsoft Teams.”
- If Teams is not already running, it will launch automatically.

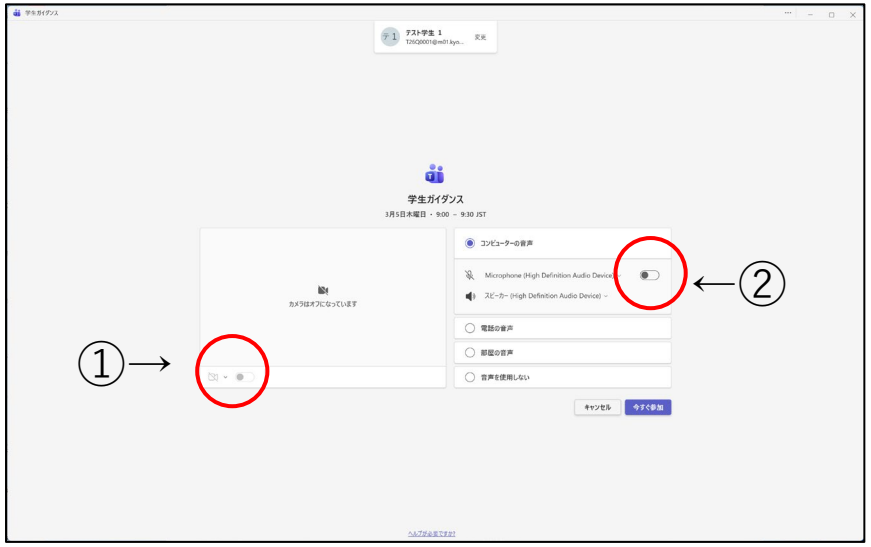
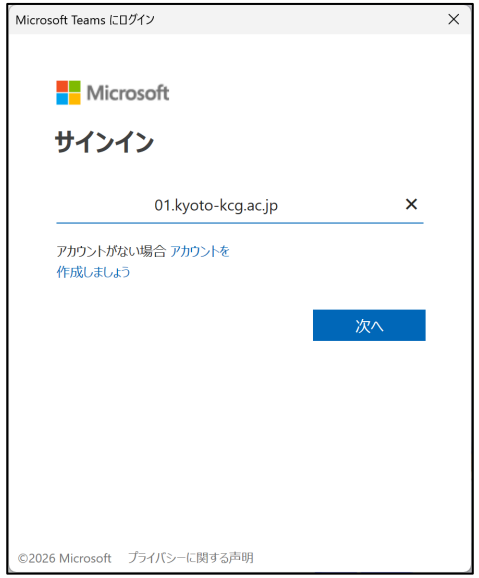
Steps for Joining an Online Class on Teams (Part 2)

- Once Teams has launched, turn off your camera and microphone before joining the class. (Please follow the instructor’s instructions regarding whether to turn them on or off.)*1
- If you are not logged in to Teams, the screen shown on the right will appear. Log in using the same ID and password as your school portal to join.





Login screen

Steps for Joining an Online Class on Teams (Part 3)

- If you're signed in to Teams with your personal Microsoft account, your personal account will be displayed as shown in ①. ① will also appear if you're already signed in with multiple accounts.
- ② Clicking the "Change" button will bring up the screen shown on the right. ③ Click "Add another account" to log in with your school account, or if you have multiple accounts, ④ verify that your school account (xxx@xxx.kyoto-kcg.ac.jp) is selected, and then join the class.

Steps for Joining an Online Class on Teams (Part 3 continued…)

- You will now see the Teams online class screen. (Please double-check that your name appears as “①”.)
- Use features such as “Chat,” toggling “Camera and Microphone,” and “Screen Share” in the same way as you would in Zoom.

Note: Joining Online Classes via a Web Browser

- If you are joining a class from a PC that does not have Teams installed, click the Blackboard link, then click “Cancel” on the screen shown in ①, and click “Join with this browser” on the screen shown in ②.
- The Teams screen (③) will appear; from there, follow the same steps as you would in the application.
